CHARMING COUNTRY HOME! A neighborly porch as friendly as a handshake warmly greets family and friends alike. Inside, cathedral ceilings promote a feeling of spaciousness. To the left of the entry way, the great room and dining room are enhanced with a large fireplace, and bump-out for a china cabinet. The open design makes the space feel even bigger. The master bedroom with its private bath and walk-in closet are located at the front of the house. The two additional bedrooms, one with a walk-in closet, share a second full bathroom.
